

Schools to Dedicate Stadium

New football stadiums at South and West high schools will be dedicated Friday night.

South High will dedicate its stadium in a ceremony preceding the Green and White intra-squad scrimmage. The dedication is set for 7:30 p.m. Game time will be at 8.

Ken Swift, new South varsity manager, will be introduced during the ceremonies. Other Spartan coaches to be present include John Silady and Robert Bonheim, assistant varsity coaches; Herbert Solomon, "B" coach; Jerry McVaine, assistant "B" coach; and Bob Beardsey "C" coach.

West High's ceremonies will open at 8:15 p.m. with a Gold and Brown intra-squad game to follow.

Highlight of the dedication will be a ribbon-cutting ceremony by student body president Dennis Dodd. Speakers will include Dr. J. H. Hull, superintendent of Torrance Unified Schools, and Dr. Robert Ford, West High principal.

The new instruction building and gymnasium at West will be dedicated by Dr. Kurt Shery, president of the Board of Education.

Board member Bert Lynn will dedicate the concession stand.

The two dedications will bring to four the number of football stadiums in Torrance. This year marks the first season that all four high schools will play in their own stadiums.

Also Friday night, North High will hold its annual Blue-Torrance High's first game White intra-squad scrimmage will be Friday, Sept. 25, against Redondo.

The stadium at West will help the Warriors mark the beginning of their third year of athletic competition. Head grid coach William Parton will have 15 lettermen back. Last year, the Warriors won one game while losing seven. This time around, opposing coaches have rated them near the top in the Pioneer League race.

Topping the list of West lettermen are ends John Cochran and Gary Lloyd. Parton believes they may be the league's finest set of flankers.

Other monogram winners include flanker Paul Cannon, top defensive end; tackles

Scott Steele, Jack Sturnacle and Dan Hill, guards Paul Martin and Mike Miller and centers Russ Barden and Sheldon Edner.

IN THE backfield, Parton will have Fred Schwanbeck, fullbacks Bob Vroman and Rick Rivas and quarterbacks Ron Sells and Dennis Dodd.

Two of the lettermen, Cochran and Vroman, were all-league selections last year. Several players up from the Bee team are also expected to aid the varsity. Contenders for starting jobs include center Tom Gary, guard Allen Coward, wingbacks Mark Knox and Walt Rensen, halfbacks Art Sues, Paul Gadbois and Jim Barnes and quarterback Steve Renz.

Last season, the West Bee squad won two games while dropping five.

Parton feels his strength will be in size, agility and experience. He says the Warriors are still seeking a starting wingback and lack depth on the second string.

WEST WILL use an unbalanced T formation with a wingback and a split end on the strong side.

As usual, Palos Verdes will provide West with its opening competition, meeting the Warriors on Sept. 25. Next will be Carson, Bell Gardens and Beverly Hills.

This year, for the first time in its three-year existence, West will play home games in its own stadium. Previously, the Redskins had played in stadiums at North and Torrance high schools.

Parton joins the majority of Pioneer League coaches in selecting Lawndale as the team that must be beaten for the championship.

Harbor College's first practice game of the season Friday night with Orange Coast College might well be the Seahawk's toughest contest of the season.

All the Harbor men are doing is meeting last year's Junior Rose Bowl champs, who don't look any less formidable this year. According to Harbor coach Floyd "Scrappy" Rhea, "They look like a repeat as national champs."

For those who can't make it to the Orange College field, it will be on television Channel 13 at 8 p.m. as the first in a weekly series of televised junior college games.

Parton will throw this year and should be able to move the ball much easier than last season," Parton believes.

FRIDAY NIGHT Alumni Gridders Return To Meet Camino Varsity

Alumni footballers return to El Camino's Murdock Stadium Friday night at 8 to plague Coach Ken Swearingen's squad of 1964 hopefuls. No charge will be made for admission.

The annual pre-season event has traditionally provided rough and tough opposition for the Warrior "youngsters."

Last year's unofficial 24-0 score in favor of the Warrior team was the first shutout against the Alums in the history of the series. In 1962 the "elder statesmen" came through with a 28-24 win.

Alumni names which will revive memories include Dan Claxton, Howard Taylor, Jerry Hren, Tim Whipple, Gary Wetzel, and passing great, Bob Beathard.

SWEARINGEN is anxious to send his young line against the weight and experience of the veterans. Last week the beef trust did a good job against Riverside City College in a scrimmage session that ended with El Camino holding an unofficial 13-6 edge.

"We'll be watching end Loren Kissam and tackles Richard Cooper and Larry Petrill," line coach Bill Vincent said. "These boys moved very well against Riverside and may be the middle strength we need to go with our backs," Vincent added. Kissam is from Inglewood, Cooper from Hawthorne and Petrill from Morningside.

Seahawks Will Open Grid Year

Harbor College's first practice game of the season Friday night with Orange Coast College might well be the Seahawk's toughest contest of the season.

For those who can't make it to the Orange College field, it will be on television Channel 13 at 8 p.m. as the first in a weekly series of televised junior college games.

BACK BILL Daquila, Hawthorne, was the "rookie hero" last week, setting up a touchdown with a 56-yard end run. However, veterans Phil Pomey and Daryl Wilson look very impressive to backfield coach Vince McCullough.

"One thing about the alum scrimmage," Swearingen added, "we have a lot of boys to look at and they all get a chance. It gives the fans the same all-around look that the coaches get and makes for a pretty exciting contest."

Swearingen faces a rather pleasant problem at quarter-

Cycle Aces Go Friday

Sammy Tanner and Elliott Schultz hit the home stretch of the season Friday night when they lead one of the largest riding packs of the year to Ascot Park, Gardena, for a flat track Motorcycle program.

All riders who have been campaigning in the midwest will be back scorching their "home" oval, but despite the returnees Tanner on his BSA and Schultz astride his Royal Enfield are the pair to beat in the AMA's expert division.

Schultz gained a huge lead early in the season with a winning streak that went to nine main events in a row
